Any Poultry Man Can Hatch Chicks

But very few can raise them all. More chicks die through the summer for want of cleanliness and a good tonic powder than from Roup and Cholera combined. Disinfect with Gessol and give International Poultry Powder and see how they thrive. A little goes a long way with chicks, and at a very small cost.

Beginning tomorrow there will also be morning services at 10:30. All are invited to attend.

At the Colonial.

The program today is just two live feature pictures, "A Modern Cinderella" and "A Central American Courtship." The first is the dear old story very classic in a modern society setting and is steadily unique. The other is said to be one of the best motion pictures ever made. The story is of a young American who falls in love with a beautiful senorita, his jealous rival gets him imprisoned and his sweetheart warns an American warship in the harbor which sends a squad of bluejackets to rescue him. It is a big scenic picture and shows magnificent views of the sea, the harbor, and the old Spanish fortresses.

and the big American warship, they are intensely thrilling and add wonderfully to the dramatic qualities of the picture. They are all real scenes, and were made in especially favorable light. This picture will be shown tonight only.

STORIA ALWAYS

AN ORDINANCE.

AN ORDINANCE PROHIBITING THE STRINGING OF ANY TELEPHONE, TELEGRAPH, POWER OR OTHER WIRES WITHIN CERTAIN DISTANCES OF ANY ELECTRIC LIGHT OR POWER WIRE, ANY HIGH POTENTIAL OR HIGH VOLTAGE WIRES, PROVIDING A PENALTY AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GREENVILLE, TEXAS:

Section 1. That hereafter it shall be unlawful for any person, firm or corporation or any person acting as agent for any of them to place any telephone, telegraph or power wire or any other wire within three feet of any electric light or power wire or any high potential or high voltage wire.

Sec. 2. That any person violating any provision of Section One of this ordinance shall be deemed guilty of a misdemeanor and on conviction shall be fined in any sum not less than \$100 (one hundred dollars) nor more than Two Hundred (\$200.00) dollars.

Sec. 3. That all telephone, telegraph or power wire or any other wire, which have heretofore been placed within three feet of any high potential, high voltage, electric light or power wire shall be removed within three days from the final passage of this ordinance; and any person, firm or corporation or their agent owning or controlling wires within three feet of the electric light or power wires above described, who shall fail to remove the said wires within three days from the passage of this ordinance shall be deemed guilty of a misdemeanor and on conviction shall be fined in any sum not less than \$100 (one hundred dollars) nor more than Two Hundred (\$200.00) dollars.

Sec. 4. There being no law adequate for the protection of life and limb preventing the stringing of wires in close proximity to high voltage and high potential wires creates a public emergency and an imperative necessity that this ordinance be finally passed and go into effect on the day of its introduction, and it is so ordained.

Passed and approved this 13th day of September, A. D. 1919, by the following vote: Ayes, Thirt Arnold, Wilson, Nees, none.

Attest: T. E. DYER, Mayor.

W. A. PRAZER, City Clerk.
